E-DISTRICT TAMIL NADU USER MANUAL

(Government of Tamil Nadu)

1. Project Overview

TNeDistricts are the de facto front-end of government where most Government-to-Consumer or G2C interaction takes place. The e-District project was conceptualized to improve this experience and enhance the efficiencies of the various Departments at the district-level to enable seamless service delivery to the citizen.

Front-ends under the scheme, in the form of citizen facilitation centers, are envisioned to be built at District, Taluk, and Sub-division and Block levels. Indicative services planned to be delivered through this MMP include:

Certificates: Creation and distribution of certificates for income, nativity, community, domicile, caste, Birth, Death etc.

Linking with other e government projects: Birth Certificate COC, Death Certificate COC etc.

Information Dissemination: About government schemes, entitlements, etc.

Assessment of taxes: Property tax, and other government taxes.

Utility Payment: Payments relating to electricity, water bills property taxes etc.

2. General Information

Let's Start!!

2.1. Tools Required

You will be provided with the following basic infrastructure:

- Computer (CPU, Monitor, Keyboard & Mouse)
- Network Connection (as per requirement)
- Peripherals (as per requirements)
- Browser (Google chrome, Version 37)
- Uninterrupted Power Supply (UPS)

2.2. Starting your Computer

Steps

1. Ensure all cables are connected between the computer, network connection, peripherals & UPS
2. Plug the UPS to the electrical socket
3. Switch 'ON' the electrical socket
4. Switch 'ON' the UPS
5. Press the  (power button) on the computer

6. Allow the system to boot up

	<ol style="list-style-type: none">1. Switch 'ON' the UPS only after you have switched 'ON' the power socket2. Switch 'ON' the computer only after you have switched "ON' the UPS3. Switch 'OFF' the power socket in there is an electrical spark in the socket
	<ol style="list-style-type: none">4. Do not start the computer in case the UPS is not fully charged5. Do not start the computer in case any of the wires are in contact with water sources / moisture
	<ol style="list-style-type: none">6. In case you are not sure whether the computer is connected in the right way – please contact the system engineer

3. Purpose

The purpose of this User Manual is to help user in running E-District application. The manual consist of steps used for registering service request and processing of application request at different levels using e- district Application.

STEP 8: CRS Death Registration application status tracking

Click on “CRS Death Registration application status tracking”...

The screenshot shows the 'Services' page of the CMS interface. On the left is a green sidebar with menu items: Dashboard, Wallet Recharge Reprint, Services, and Receipt. The main content area is titled 'Services' and contains a search filter for 'Directorate of Public Health and Preventive Medicine'. Under 'SERVICE WISE', there are four items: 'CRS Death registration application status tracking' (highlighted with a green circle), 'DPH-101 CRS - Death Registration', 'DPH-102 Printing of Birth Certificate', and 'DPH-103 Printing of Death Certificate'. A callout bubble points to the first item with the text: 'Click on CRS Death Registration application status tracking'. On the right, there is a user profile section with details like Name, Center, Counter, and Wallet Amount.

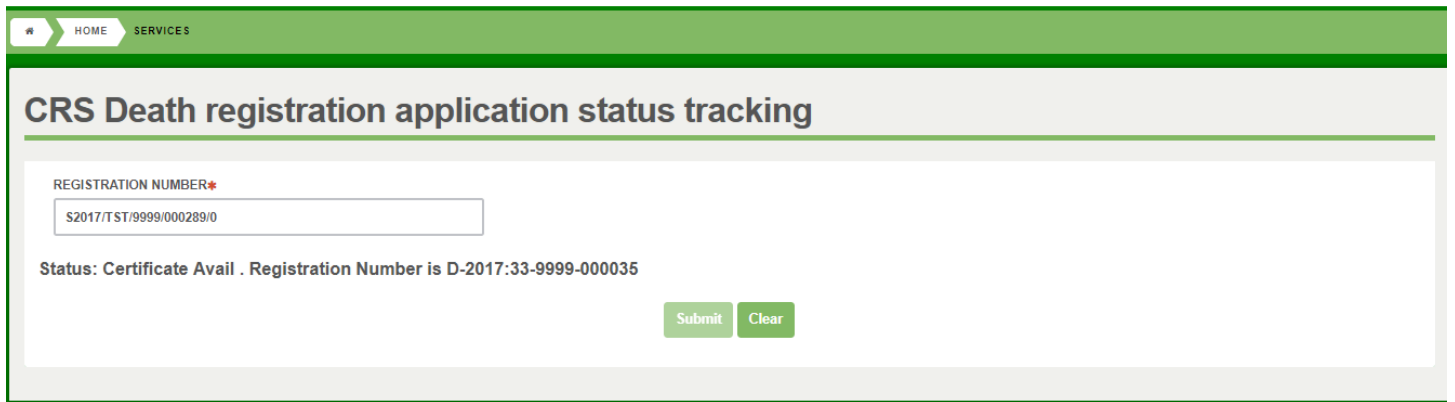

After clicking on the CRS Death Registration application status tracking it will redirect to the e form page like below screen. Need to fill the below mandatory field as Registration Number and click on Submit button.

Enter Valid Registration Number in the text field

If the Application is Pending Below status should display

The screenshot shows the 'CRS Death registration application status tracking' form. At the top, there is a breadcrumb trail: HOME > SERVICES. The form title is 'CRS Death registration application status tracking'. Below the title, there is a text input field labeled 'REGISTRATION NUMBER*' with the value 'S2019/TST/9999/000238/0'. Below the input field, the status is displayed as 'Status: Pending in SI/Regist.'. At the bottom of the form, there are two buttons: 'Submit' and 'Clear'.

If the Application is Approved Below status should display

The screenshot shows a web interface for tracking the status of a CRS Death registration application. At the top, there is a green navigation bar with 'HOME' and 'SERVICES' links. Below this, the main heading is 'CRS Death registration application status tracking'. A form area contains a label 'REGISTRATION NUMBER*' above a text input field containing the value 'S2017/TST/9999/000289/0'. Below the input field, the status is displayed as 'Status: Certificate Avail . Registration Number is D-2017:33-9999-000035'. At the bottom of the form area, there are two green buttons: 'Submit' and 'Clear'.

8. Disclaimer

User manual is prepared as per the existing application; however actual screen shots may vary for few cases
